

As Your Family Gathers...

Please Remember Our Seniors This Holiday Season

This holiday season, the **Santa Clarita Valley Senior Center Foundation** is thanking the moms, dads and grandparents who have given us so much, and have passed down our holiday traditions from one generation to the next. Now, some of them need our help. Many are alone, with no family to share the season with, and no special holiday meals to celebrate. And it's not just during the holidays: Without the SCV Senior Center's Home Delivered Meals Program, many local seniors would not have a hot meal to eat each day. Without our Adult Day Care Respite Program, many caregivers coping with their loved ones suffering from Alzheimer's and other memory-afflicting diseases would not have the expert help and relief they need to get themselves and their senior loved ones through the rigors of daily life. We are dedicated to ensuring dignity and an improved quality of life for the Santa Clarita Valley's seniors who need our help the most, like the more than 50,000 community elders we have served in the past 33 years. Your Senior Center helped more than 8,500 seniors last year with your support, and participation in our programs is projected to double in the coming year!

Please help the SCV Senior Center serve local seniors in need. Your support will bring a hot meal to a homebound senior, or provide a day of care in a safe, nurturing environment. And, it will bring smiles to their faces — just like the ones you saw the first time your folks let you carve the turkey.

Thanks, Mom and Dad.
